Qi WIRELESS CHARGING

Ideal for the bedside, the convenience of wireless charging is hard to beat.

Your guests simply place their Qi compatible phone on the charging pad to ensure they wake up to a fully charged device.

USB CHARGING

As well as a wireless charging pad, two conveniently situated USB ports are also provided, each of which can charge up to 10W.

These high powered ports ensure rapid charging is available for all guests, whatever devices they choose to bring with them.
