

## DUAL WIRELESS CHARGER

ChargePort Duo is a fully featured, dual wireless charger which also provides USB Type A and USB Type-C™ charging. For your peace of mind and to ensure safe and reliable wireless charging<sup>1</sup>, ChargePort Duo is fully Qi Certified. The wireless charging pads can deliver up to 10 watts each ensuring the fastest charging time for guest devices, while the USB ports will deliver up to another 18 watts to charge phones or tablets. Simple and quick to install, ChargePort Duo is supplied with a range of security options including bracket, lanyard and adhesive pad. ChargePort Duo looks great on the guest room nightstand or desk and is available in black or white.

## FEATURES

- Qi Certified for safe and reliable wireless charging<sup>1</sup>.
- For fast charging, each Qi wireless charging pad can charge up to 10 watts (total 20 watts if both used).
- USB Type-C™ and Type A, for charging non-Qi devices and tablets, can deliver another 18 watts<sup>2</sup>.
- Simple installation, only requires access to a single mains socket for the power supply.
- Anti-theft/anti-tamper security options included; fixing bracket with cable clamp, lanyard and adhesive pad.

## SPECIFICATIONS
